Q1: In **Section 9** "SUBMITTALS", the proposal contains the following language: "*Submissions for items 1-6 must be made electronically by 12:00 noon on Monday, January 11th, 2016, using a PDF or Microsoft Office format.*" Should Item 7 (Cost Proposal) also be submitted with this pdf, or is the intent to submit the Item 7 under separate cover? If that is the case, where/when/how should the cost proposal be submitted?

A1: In section 9, any reference to "Items 1-6" should read "Items 1-7"
