

Procurement- Traffic Count Program

NOACA Finance and Audit Committee
May 12, 2017

4-23

Action Requested

Recommend this item to the Executive Committee for placement on the June 2017 Board of Directors' agenda:

- Authorize the Executive Director to execute a contract with selected vendor For NOACA's 2018-2020 Traffic Count Program

Previous Action

- Annual funding in current and future OWP and budget

Background

NOACA staff changes have allowed NOACA to create a more accurate traffic count program; completing all regular counts within a shorter timeframe resulting in more consistent and applicable traffic counts.

Background

RFP was issued March 21st, 2017 and closed April 21st, 2017

- Six proposals received
- Vendors were scored on four criteria:
 - Project Approach
 - Experience
 - Qualifications
 - Cost

Selection Process

- Eggeman Engineering and Consulting LLC. (EEC) scored the highest for selected traffic count types. Annual cost over three years is not to exceed \$112,900.

Selection Process

Some of EEC's notable clients include:

Next Steps

- Pending Board approval Eggeman Engineering and Consulting LLC. will complete all of NOACA's traffic counts for FY2018-FY2020

Action

- Recommend award to Eggeman Engineering and Consulting LLC. to the Executive Committee for placement on the June 2017 agenda
