

NORTHEAST OHIO AREAWIDE COORDINATING AGENCY

MEMORANDUM

TO: NOACA Board of Directors

FROM: Grace Gallucci, Executive Director

DATE: June 2, 2017

RE: **Resolution 2017-025 – Fiscal Year 2018 Annual Priority List**

ACTION REQUESTED

The Board of Directors is asked to approve the priority list of projects to be funded in State Fiscal Year (SFY) 2018 with NOACA administered funds.

The Transportation Subcommittee and Planning and Programming Committee recommends this action.

BACKGROUND/JUSTIFICATION FOR CURRENT ACTION

The SFY 2018 Annual Priority List (APL) (attached) contains projects to be funded in state fiscal year 2018 with NOACA administered Surface Transportation Block Grant (STBG), Congestion Mitigation and Air Quality (CMAQ) and Transportation Alternative Program (TAP) funds. The SFY 2018 APL reflects existing and recommended projects on the Plan and TIP. NOACA staff, ODOT Districts, and the project sponsors all concur that these projects are ready and able to use the identified funding amounts during the next fiscal year.

All of the projects in the SFY 2018 APL have had appropriate review and recommended to be amended to NOACA's Long Range Transportation Plan and the Transportation Improvement Program (TIP).

The APL represents projects prioritized for funding in SFY 2018 of the current TIP. The list includes debt service payments for previously approved State Infrastructure Bank (SIB) loans.

FINANCIAL IMPACT

The total cost of the projects is approximately \$426 million with approximately \$46 million of NOACA administered funding committed. The projects are consistent with current financial forecasts, plans and budget constraints.

CONCLUSION/NEXT STEPS

Pending Board approval, NOACA will manage the SFY 2018 program to ensure the expenditure of all available funding during the fiscal year, including the advancement of additional projects as approved by the Board should funding become available.
