**Board of Directors
June 8, 2018**

ACTION REQUESTED

Request that the Board of Directors adopt the following Resolution:

- 2018-025, which approves the Enhanced Mobility for Seniors and Individuals with Disabilities Program (Section 5310) project recommendations

PREVIOUS ACTION

- Presented to Transit Council and Transportation Subcommittee for information and input
- Recommended for approval by the, Planning and Programming Committee and Executive Committee

BACKGROUND

NOACA's Section 5310 Program Provides:

Capital funding to assist public transit agencies, municipalities, private non-profits, and for profit companies to provide coordinated transportation services that are planned, designed, and carried out to meet the needs of seniors and individuals with disabilities

BACKGROUND

This program provides funds for capital expenses to recipients for:

- Public transportation projects planned, designed, and carried out to meet the special needs of seniors and individuals with disabilities when public transportation is insufficient, inappropriate, or unavailable;
- Public transportation projects that exceed the requirements of the Americans with Disabilities Act (ADA) of 1990 (42 U.S.C. 12101 et seq.);
- Public transportation projects that improve access to fixed-route service and decrease reliance on complementary paratransit; and
- Alternatives to public transportation projects that assist seniors and individuals with disabilities with transportation.
