

**RESOLUTION 2018-020:
AGENCY PROCUREMENT
BICYCLE AND PEDESTRIAN
DATA COLLECTION EQUIPMENT**

**Board of Directors
June 8, 2018**

ACTION REQUESTED

Request the Board of Directors adopt the following Resolution:

- 2018-020, which authorizes the Executive Director to execute a contract with selected vendor for Bicycle and Pedestrian Data Collection Equipment

PREVIOUS ACTION

- December 2017, NOACA board approved Resolution 2017-036 amending OWP to reflect NOACA's Award of \$300,301 from ODOT's Active Transportation Program Grant
- Recommended by Finance and Audit Committee May 2018

BACKGROUND

- NOACA was awarded a grant to expand its bicycle and pedestrian data collection program by obtaining and installing equipment at 14 permanent locations. The data collection locations will be distributed among 5 counties, and 8 jurisdictions.

BACKGROUND

- **NOACA requires: equipment manufacturers and vendors that can supply, install, and retrieve data from bicycle and pedestrian data collection equipment**
- **The primary purpose of NOACA's bicycle and pedestrian permanent data collection program is to accurately and continuously count bicycles and pedestrians at specific locations.**

BACKGROUND

- Selection process:
- IFB released April 13th, 2018
- Proposals/Bids due May 2nd, 2018
- Four bids received
 - One deemed unresponsive
 - One offered lease option only
 - One was determined best and lowest

BACKGROUND

- Selection Process:
- The selection committee determined that Miovision Technologies, Inc. best met the selection criteria

The logo for Miovision Technologies, Inc. features the word "mio" in a lowercase, bold, black sans-serif font, followed by a blue circular icon containing a white stylized eye or camera lens, and then the word "VISION" in a lowercase, bold, black sans-serif font.

BACKGROUND

- Notable Clients Include:

BURGESS & NIPLÉ
Engineers ■ Architects ■ Planners

AECOM

FINANCIAL IMPACT

- NOACA will contract with Miovision Technologies, Inc. for this project in an amount not to exceed \$140,000 starting on or around July 1st, 2018 and ending approximately September 30th, 2018

NEXT STEPS

Pending board approval, NOACA will enter into a contract with Miovision Technologies, Inc. for this project in an amount not to exceed \$140,000

ACTION

Approval of Resolution 2018-020, which authorizes the Executive Director to execute a contract with Miovision Technologies, Inc. for Bicycle and Pedestrian Data Collection Equipment.
